Chiesa di Sant'Agostino, Pietrasanta, 2011

“What can I say about Helaine? What can anyone say about Helaine? A force of nature, an extraordinary artist, and a great contributor beyond her work itself.

“She’s been an incredible advocate for public sculpture, for the arts and what they can do in communities and the effect they can have on people. And that of course is what the arts are there to do. I’ve been very privileged to experience that first-hand.”

**Timothy Potts, Director, Getty Museum**
